

## Roles & Responsibilities

There are four departments in Up to You! - Economy & Trade, Society & Workforce, Water & Environment, and Education & Research. Each role has a set of tasks that it can accomplish.

ICONS	ROLE	RESPONSIBILITIES
	Economy & Trade	Building and running Facilities producing Energy, Food, or Goods & Services.
	Society & Workforce	Fulfilling the needs of the Society and developing the country's Workforce Potential.
	Water & Environment	Managing the country's Freshwater supply and investing in environmental projects.
	Education & Research	Managing the country's Education system and investing in innovative research.
